Leader: This is World Communion Sunday. Let us pray:
We pray from the north, the direction of great power and wind, and surprises.
People: Give us courage to face the wind and waves of living.
Leader: We pray from the west, the direction of the setting sun, of letting go and of dying.
People: Give us the wisdom to honor the silence and darkness within us and within the universe.
Leader: We pray from the east, the direction in which the sun rises, day begins, and hope emerges.
People: Give us resurrection and new life.
Leader: We pray from the south, the direction of our intuition and imagination.
People: Give us wonder and awe, awareness and appreciation.
All: In Christ's name we pray. Amen.
