From Gardens & Memorials

Birds are a part of God's world and delight us with their spring songs and antics. Children love to watch birds, especially those that nest in nearby trees or shrubs in our gardens and feed their young in birdhouses you erect for them. "And God created great sea creatures and every living thing that moves, with which the waters abounded, according to their kind, and every winged bird according to its kind. And God saw that it was good...saying....and let birds multiply on the earth. Genesis 1:21-22 *The Gardens and Memorials Committee thanks you for your support.*

Volunteers Needed:

Food Service Committee is looking for volunteers to help with the Wednesday Night Suppers. If you would like to literally "serve" for one hour every now and then, contact Phil Crane—833-0795.

The Decorating Committee is looking for volunteers to help water all the plants in the church. If you would like to help keep us green—contact Ann Brooks 872-0675.
